

## To Love Somebody – G

### **Vers**

There's a light a certain kind of light  
that never shown on me  
I want my life to be, to lived with you, to lived with you

### **Vers**

There's a way everybody says  
to do each and every little thing  
but what can does it bring  
if i ain't got you if i ain't got you

### **Refr**

You don't know what it's like  
You don't know what it's like  
To love somebody, to love somebody the way I love you

### **Vers**

In my mind I see your face again  
I know my frame of mind  
you ain't got to be so blind but I'm blind so very blind  
I'm a man can't you see what I am  
I live and breathe for you  
but what good does it do  
if I ain't got you if I ain't got you

### **Refr**

You don't know what it's like  
You don't know what it's like (repeat)
